# Installation

How to Install:

You need to be a JIRA Administrator in order to install SMS Sender for JIRA.

1. First, log in as the Administrator to your JIRA instance and select "Add-ons".
2. In the "Find new add-ons" page, search for "SMS Sender".
3. Click on the "Instal" link on the right side of the SMS Sender listing.
4. A confirmation dialog will inform you that the installation was successful.
